Sonhos

Quarto é lugar de descansar, estudar e, principalmente, sonhar. Nesse último, onde tudo pode acontecer, ursinhos se organizam para mais um dia de trabalho, bailarinas ensaiam o próximo espetáculo, um engarrafamento de carrinhos coloridos toma o trânsito e, até mesmo, uma floresta surge na parede. Viu? **Quando se trata de sonhos tudo é possível.**

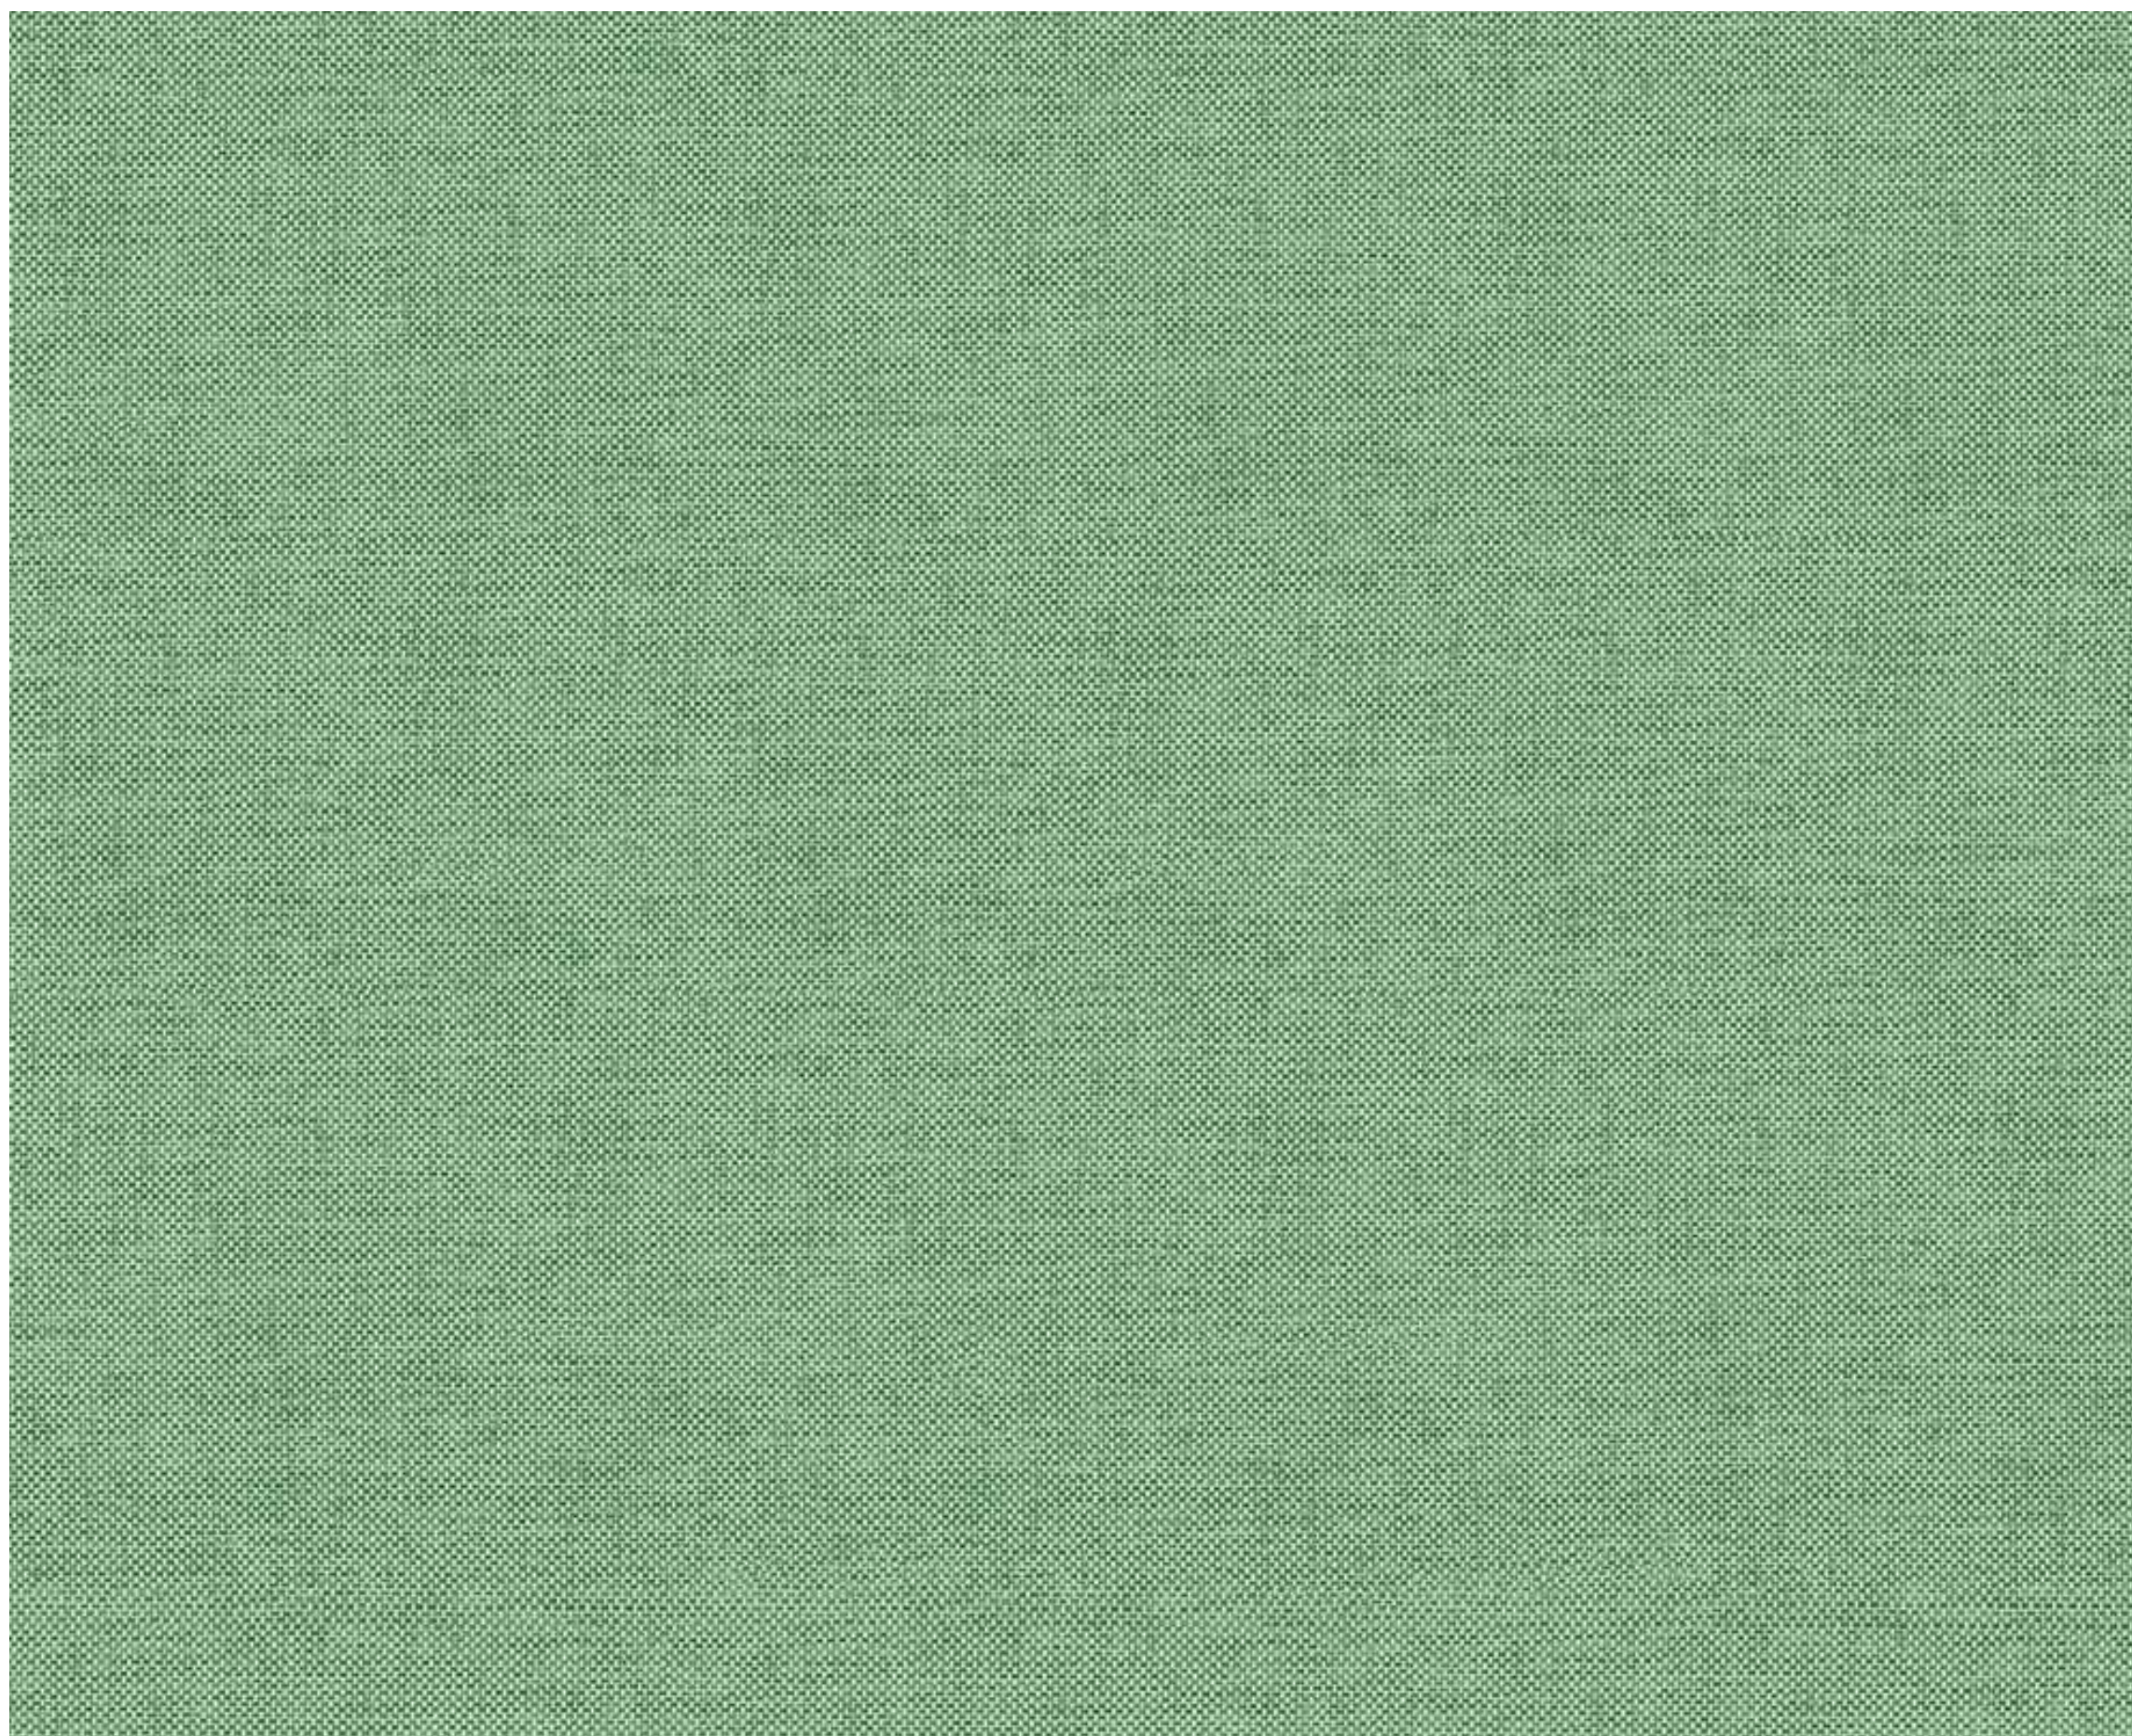

Então, como seria o quarto infantil dos sonhos?

Foi em busca dessa resposta que a Coleção Sonhos encontrou 15 possibilidades de papéis de parede para a decoração infantil ideal. De um jeito inocente, criativo e delicado, um mundo de descobertas se abre com estampas que transformam a parede e a infância.

A versatilidade dessa coleção nasce da ideia de contar histórias, fazendo decoração infantil para todo tipo de criança. Do papel de parede mais neutro ao mais estampado, aqui a sua decoração infantil tem também mais design, textura e opções. Em outras palavras, tem tudo para tornar o quarto da sua criança no quarto dos sonhos.
